

“Forward in Faith”

Zion Lutheran Church Stewardship Campaign – Spring 2009

Zion Lutheran Church has an enduring history of ministry in our community. For more than 100 years, our church has provided a warm and engaging place of welcome, worship, service to others, and spiritual growth. Eager for ministry, our church continues to grow in the ways we live out our calling in this community.

In service to our mission as God’s people, our *“Forward in Faith”* campaign seeks to both supply the financial needs of our annual ministry budget, and also raise funds to expand and revitalize our facilities to serve the ministries of our church now and into the future.
