

“If I had a hammer...

I'd hammer in the morning, I'd hammer in the evening all over this land, I'd hammer out danger, I'd hammer out warning,

**I'd hammer out the love between my brothers and sisters,
All over this land”.**

Habitat at Zion

YOU are invited to join us in building a Thrivent Builds Habitat House. No qualifications required just hearts of compassion! Home completion date 12/09!

For the Geshow/Bedso family; father, mother, grandma and 2 sons ages 2 & 3. They are refugees from Ethiopia who suffered persecution & violence. They were selected to be Habitat homeowners out of need, ability to pay mortgage and willingness

to put in 500 hours of “sweat equity” each (father & mother).

The build site is in Pacific, just 15 min SW from Zion!

Our Saturday build days are:

August 29th

September 19th

October 24th

November 21st

- ✓ You can be a part of the work crew on the job site (must be 16 years or older). We carpool from Zion leaving at 8:15am and returning at 4:15 pm.
- ✓ You can be part of the lunch crew—it could be as simple as leaving food at the church kitchen for the work crew to take with them Saturday morning, or delivering food to the build site.

VBS/Senior High Emphasis Week: 7/29-8/1.

- ✓ VBS corresponds with the Senior High Emphasis Week and consists of activities at the church for the younger kids, building and painting projects that will be given to the Habitat homeowners, dinner and worship. VBS is in the evening (4-7pm), in order to welcome back the work crew folks, have dinner with them, and worship each evening.
- ✓ Adults and families are needed to help and participate with VBS activities.
- ✓ Adults and families are needed to help with lunches for the emphasis week.
