Zion seeks a pastor who can provide leadership, pastoral care, and bible-based preaching to inspire us as we grow in our faith.

Zion Lutheran Church has meant many things to its members since its founding in 1903. Recently, the church was defined as a place that feels like home filled with caring and friendly members, a place where sins are confessed and forgiven and the good news of Jesus Christ is proclaimed in word and sacrament every week.

This spring, well-attended Cottage meetings helped Zion identify goals, including community outreach, education, fellowship, member care, music, social media technology and increased youth involvement. These goals have energized the Church to plan for the future with renewed energy and trust in the love and guidance of the Holy Spirit. It is a hope that Zion members will reach out to the rapidly growing community surrounding the church and bring the word of God to a wider community.

OUR CHURCH

Founded in 1903, Zion Lutheran was begun by a group of people of mainly Norwegian descent. The church was established and based on Colossians 3:16 as its guide.

(Whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father.)

In 1979 a non-profit Christian Preschool was established and housed in the original church building where it exists today.

Over the years, members have contributed to the church's history and activities. Through their efforts, the woman of the church started "Julefest." This annual event includes homemade crafts and baked goods. Women also organized a Mission Group where over 5000 quilts have been lovingly made and distributed worldwide. This project continues today.

Now, Zion is blessed with 320 baptized members. In the last few years, many young families have joined the church, bringing lively, energetic programs.
